Who are we?

Mission Statement - Texas A&M University's Sophomores Progressing in Excellence and Success intends to foster leaders within an environment of acceptance and respect, while leading yourself and others towards success.

Vision Statement - TAMU SPIES strives to aid in the growth of sophomores at Texas A&M University in order to produce a group of well-rounded adults that will carry a passion for excellence and success with them throughout their lives following college.

Core Values - Success, Excellence, Respect, Family

Please answer ALL of the following (250-word minimum per question):

1. Describe yourself in 3 words, and explain the significance behind those words.
2. Why did SPIES stand out to you, and what are you hoping to gain from joining SPIES?
3. Describe a time in your life when you have demonstrated strong leadership skills and how you experienced growth through that.
4. What are some qualities that you will bring to SPIES, and how does that set you apart from other applicants?

5. What other organizations are you involved in for the 2026-2027 school year? Include jobs, potential internships, or any other organizations. (Does not need to be at least 250 words)

On one separate 8 1/2" x 11" page, show us who you are. Be creative!

Email all completed applications to tamu.spies@gmail.com by 11:59pm on September 11th, 2026. The subject line of the email AND title of application pdf should be "First.Last.SPIES". Any applications submitted after the deadline will NOT be considered. The interview sign up sheet will be sent via a reply to your emailed application.

Thanks and Gig 'em!
